

**NJ SPORTSMEN:**  
**“PROTECT OUR RIGHTS AND OUR**  
**HERITAGE”**

Dear Governor Corzine,

I am adding my voice to the thousands of people who have joined with Assemblywoman Dawn Marie Addiego and Assemblyman Scott Rudder in their efforts to make hunting and fishing a constitutionally protected right!

Not a year goes by that hunting and fishing are not threatened by special interest groups dedicated to eliminating the sports we cherish.

Please lend your support to ACR -186 sponsored by Assemblywoman Dawn Addiego and Assemblyman Scott Rudder!

We are asking you to help get this important constitutional amendment passed and guarantee that our right to hunt and fish will be protected for generations to come.

Sincerely,
